

## Official Notice to All EKNGB Members

As we approach the end of the transitional period from the previous National Governing Body, we would like to remind all Associations, clubs, athletes, coaches, referees, and members of the following important requirements:

Effective 1st December 2025, EKNGB members must not participate in any activities or events with any Karate organisation claiming to be a National Governing Body for England, including but not limited to: EKF, KUGB, KE, NAKMAS, and AMA.

This requirement applies to anyone organising training, courses or competitions that include EKNGB members, participants from EKF, KUGB, KE, NAKMAS, or AMA cannot be included.

As the sole WKF-mandated Governing Body for England, the EKNGB is required to comply with all governance standards and regulations set by the World Karate Federation. Failure to do so could result in us having to take disciplinary action, which may include reprimands or suspensions.

All EKNGB members are expected to uphold these standards as part of their membership and commitment to the organisation.

If you have any questions or concerns regarding any event you are organising, please contact: [admin@englishkaratengb.co.uk](mailto:admin@englishkaratengb.co.uk)
