

## **EKNGB UKAD ANTI DOPING POLICY, PROCEDURES AND COMPLIANCE**

To make sure we comply with Sports England we need to make sure we have all the necessary paperwork and training for our performance and sporting members.

Dave Inman our head of sports medicine and medical will be the lead person on this.

The good news is we can get a lot of the initial training for no cost to our members.

UKAD ANTI DOPING - EKNGB PERFORMANCE DEPARTMENT

EKNGB BOARD MEMBER (BOARD ANTI DOPING LEAD) – Point of contact for Anti-Doping

EKNGB ANTI DOPING LEAD (Dave Inman)

Coaches, Athletes, Medical, Chaperone's and any other person involved with EKNGB athletes.

(EKNGB - Over 16 to start with that are on National A Squad)

If we want to get Sports England recognition, then we will need this in place. Sports England will need to see we have the above individuals take the necessary courses (Course with a multiple-choice test at end). Most of these courses are free and online. Also, training and annual reviews.
